

# Natrad HDS Rockhampton your place for all truck maintenance

FAMILY-OWNED and operated for more than 20 years, Natrad HDS Rockhampton (Coxon's Radiator Service) is your complete one-stop-workshop for all your truck maintenance needs, including A, B & C servicing, cooling systems and air-conditioning.

Its new purpose-built workshop on the corner of Maloney and Alexandra Sts features overhead gantry cranes to quickly remove and refit truck radiators and is designed for servicing multiple trucks at once, allowing for same-day turn-around on most jobs.

Natrad HDS Rockhampton is one of the largest and most experienced Natrad HDS stores in Australia with a team consisting of qualified diesel fitters, mechanics and technicians.

The workshop is quality certified to ISO9001:2008 and is an authorised Radiator Service Depot (RSD) for Air Radiators products. It can

**Natrad HDS Rockhampton specialises in the supply, overhaul and repair of radiators and charge air coolers for mining and heavy haulage applications.**

help reduce your downtime and costs by getting all your truck maintenance done at once, including trailer servicing.

Specialising in the supply, overhaul and repair of radiators and charge air coolers for mining and heavy haulage applications, the workshop holds a large range of radiators, cores and charge air coolers in stock to suit Kenworth, Mack,

Western Star, Freightliner, Hino and Isuzu trucks.

Its range consists of OEM products and quality aftermarket upgrades such as Adrad ADFUSE and ULTRA-T cores, ADSEAL Charge Air Coolers and extreme heavy duty Adrad Mechanically Bonded cores.

Natrad HDS Rockhampton (Coxon's Radiator Service) currently does work for customers Australia-wide
